IT'S TIME TO GIVE BACK TO BERKELEY

## Support the Annual Fund

"The longer I am in health care, the more I see the benefits of an M.P.H. from Berkeley. At our medical center, we have Berkeley M.P.H. graduates in medical social services, administration, strategic planning, clinical laboratory, cancer screening, and physician leadership. I witness their contributions on a daily basis.

"I am grateful for the learning and mentoring opportunities associated with my Berkeley education and now want to work with the Public Health Alumni Association to ensure continuation of the Berkeley experience for future health care leaders.

"It is time to give back to Berkeley."

Jim Devitt  
M.P.H. '78  
Associate Hospital Administrator  
Alameda County Medical Center
