

Rethinking Health and Human Rights

Tuesday, March 17, 2009

Berkeley City Club, Ball Room (2315 Durant Ave)

3-5pm, Talk & Reception

The Pfizer “Moments in Leadership”
Distinguished Health Leadership Speaker
Series presents:

Dr. Paul Farmer

Co-Founder of Partners in Health

Professor of Social Medicine

Medical Anthropologist

Physician

Writer

Using the framework of the **human right to health**, Dr. Paul Farmer will speak about:

- Community-based care to improve health outcomes in settings of great poverty
- Disease-specific interventions to strengthen primary health care.

Sponsored by UC Berkeley Center for Health Leadership Student Board,
UCB School of Public Health, and Pfizer
