

UC Berkeley School of Public Health

PUBLIC HEALTH ALUMNI ASSOCIATION

BOARD of DIRECTORS

Mission

Connecting UC Berkeley School of Public Health alumni and students to increase the advancement of public health practice, leadership, and health equity.

2017-18 Goals

Professional Development

Advocate for a positive student and alumni experience by:

- Presenting opportunities for continuous learning by bringing educational content to students and alumni
- Supporting the strategic planning efforts at School with respect to curriculum design
- Partnering with various School of Public Health groups

Events, networking, and resource mobilization

Increase alumni engagement, interconnectedness, and student-alumni connectivity in markets with high alumni concentration by:

- Organizing activities and events in support of student-alumni and alumni-alumni networking including, but not limited to:
 - Sponsored venue events
 - Alumni-hosted dinners
 - Outdoor activities

Diversity and scholarship

Support School efforts in promoting diversity and inclusion among the student body and faculty, and actively participate in advocating for a more equitable School by:

- Offering representation in various student/faculty groups on campus
- Fundraising to support diversity scholarships
- Integrating an equity lens into all aspects of PHAA BOD efforts
