FUNG FELLOWSHIP FOR WELLNESS & TECHNOLOGY INNOVATIONS

LAUNCHING IN FALL 2016: A TWO YEAR FELLOWSHIP FOR UNDERGRADUATES AT UC BERKELEY

BECOME A BREAKTHROUGH INNOVATOR

Participate as a de facto innovation lab to develop activity, nutrition, and wellness solutions.

ADVANCE REAL-WORLD SOLUTIONS

Engage in a cross-disciplinary, experience-based curriculum that combines the best of engineering, public health, and leadership disciplines.

PREPARE FOR HIGH IMPACT CAREERS

Partner on a team project that accelerates wellness, receive mentorship from faculty, corporate, and community leaders, paid compensation during the year, and a paid summer internship.

APPLY NOW!

APPLICATION DEADLINE EXTENDED:
FEBRUARY 28, 2016
